Front End Developer | HTML | CSS | JavaScript | Git | Debugging | Responsive design

PERSONAL PROFILE

Looking to secure a Junior Front End Developer position to use and further develop my skills with HTML, CSS and JavaScript in a practical and fast-paced environment. I possess a meticulous eye for detail, a strong understanding of design, and extensive experience creating digital assets from briefs using the Adobe Creative Suite, gained during 10 years working in my current position. I use Codecademy, Front End Mentor, and Free Code Camp to further study, and work on personal projects in my spare time.

CORE SKILLS

HTML | CSS | JavaScript | Version control using Git & GitHub | Responsive design | Collaborative working | Debugging | Communication | Organisation | Leading a team | Adobe Dreamweaver | Adobe Photoshop | Adobe InDesign | Adobe Illustrator | Creating assets from brief | Detail oriented

EDUCATION

The Learning People - Front End Development - 2022

Leeds Arts University - BA(Hons) Photography - 2:1 - 2009
